

Brian Matsebula

System Development

As a software development student over the past three years, I have gained expertise in developing web applications, hosting them on both Azure and AWS, working with SharePoint, and creating data warehouses. I am seeking to specialize in software development, an area where I know your firm excels. With my experience and passion for programming, I am confident that I can contribute to the success of your team.

EDUCATION

Software Development CTU Training Solution

01/2020 - Present

Courses

- PROGRAMMING FOUNDATION
- SOFTWARE DEVELOPMENT
- DATABASE DEVELOPMENT

FIRST YEAR

PROGRAMMING FOUNDATION

01/2020 - 12/2020

Modules

- Basic Programming
- Computer Architecture
- Core Web Development
- Cybernetics
- Digital Literacy And Proficiency
- Network Architecture
- Principles Of Program Design
- Programmer Ethics
- Robotic Development
- Relational Database Development

SECOND YEAR

SOFTWARE DEVELOPMENT

01/2021 - 12/2021

Modules

- Beginner Java
- Intermediate Programming
- Intermediate Web Development
- Advanced Programming
- Advanced Java

THIRD YEAR

DATABASE DEVELOPMENT

01/2022 - 12/2022

Modules

- Advanced Design Patterns
- Data Solutions Development
- IT Project Management
- Cloud Solutions Design
- Data Solutions Design
- IOT Developer

SKILLS

Java

SQL

Python

CSS

Azure
